

# Alexey Prudnikov

☎ +7 (910) 402-05-51  
✉ [a.m.prudnikov@gmail.com](mailto:a.m.prudnikov@gmail.com)

## Personal Information

Date of Birth 16.02.1984 (age 32)  
Location Moscow, Russia

## Education

- 2013–2016 **Graduate**, *Kutafin Moscow State Law University (MSAL)*.  
**Bachelor of Laws**
- 2007–2010 **Postgraduate**, *National Research Nuclear University «MEPhI»*.  
**«Applied Mathematics and Computer Science»**
- 2001–2007 **Graduate**, *Moscow Engineering Physics Institute (MEPhI)*.  
**Degree in «Applied Mathematics and Computer Science»**

## Work Experience

- 10.2015–  
present **Team Lead**, *«General Radio Frequency Centre», Federal State Unitary Enterprise, Moscow, Russia*.  
Information technologies: software development and integration  
Responsibilities:
  - Head of the development of the web portal for digital documents management (Java Core; Java EE: EJB, JMS, JPA, Servlet, JAX-WS, JAX-RS; HTML/CSS/JS; DBMS Oracle).
  - Head of the development of the digital signature validation service (Java Core; Java EE: EJB, JMS, Servlet, JAX-WS, JAX-RS; HTML/CSS/JS).
  - Design and develop internal enterprise system for digital documents management and calculation of electromagnetic compatibility (Java Core: Swing; Java EE: EJB, JMS, JPA).
  - Continuous Integration management (Git/Gitolite, Jenkins, Gradle).
- 10.2014–  
10.2015 **Senior Software Developer**, *«General Radio Frequency Centre», Federal State Unitary Enterprise, Moscow, Russia*.  
Information technologies: software development and integration  
Responsibilities:
  - Design and develop web portal for digital documents management; integration with internal enterprise IT-systems (Java Core; Java EE: EJB, JMS, JPA, Servlet, JAX-WS, JAX-RS; HTML/CSS/JS; DBMS Oracle).
  - Design and develop digital signature validation service; integration with other enterprise IT-systems and Ministry of Telecom and Mass Communications of the Russian Federation services (Java Core; Java EE: EJB, JMS, Servlet, JAX-WS, JAX-RS; HTML/CSS/JS).
- 09.2008–  
10.2014 **Senior Software Developer, Team Lead**, *«Open Information Technologies», LLC, Moscow, Russia*.  
Information technologies: software development and integration  
Responsibilities:
  - Design and develop «Social Insurance» information system, which is used by Fund of Social Insurance (FSI) — big government structure of Russian Federation, as system architect and co-project manager (Delphi; DBMS HyTech; Sphinx Search).
  - Design, develop and optimize for highload FSI web portal as system architect of full-text search and lead OLAP-developer (PHP; HTML/CSS/JS; Java Core; DBMS HyTech; Sphinx Search).
  - Design, develop and optimize for highload FSI web-service to process digital signed financial statements as system architect (PHP; HTML/CSS/JS; DBMS HyTech).
  - Design and develop framework, which is used for interaction between common ERP systems and converter of financial reports from Russian national standards to IFRS and GAAP, as lead developer (C; Delphi).

- Design and develop electronic payment processing system as system architect (PHP; HTML/CSS/JS; C; DBMS MySQL/PostgreSQL/HyTech).
  - Design and develop application server to process information about copyright and related rights in intellectual property as system architect (PHP; HTML/CSS/JS; DBMS HyTech and MongoDB).
- 09.2007–07.2013 **Research/Teaching Associate**, *National Research Nuclear University «MEPhI», «Information Systems and Technologies» department, Moscow, Russia.*  
 Science and education  
 Responsibilities:
- Teaching experience:
    - «Algorithms and Data Structures» (lections and labs);
    - «Programming Languages and Compilers» (lections and labs);
    - «Optimization Methods» (lections and labs);
    - «Numerical Computing» (labs);
    - «Game Theory and Operation Research» (lections).
  - Supervise course work and assignments of undergraduate students.
  - Participate in department's research work.
  - Create and deliver tutorial and lab session material for undergraduate students.
- 10.2005–09.2008 **Junior, Senior Software Developer**, *«New information systems and technologies», JSC, Moscow, Russia.*  
 Information technologies: software development and integration  
 Responsibilities:
- Design and develop «Social Insurance» information system, which is used by Fund of Social Insurance (FSI) — big government structure of Russian Federation, as lead developer (Delphi; DBMS HyTech).
  - Design and develop FSI web portal as lead OLAP-developer and software architect of application for delivery financial statements from insurants to FSI (PHP; HTML/CSS/JS; СУБД HyTech).

## Certifications

- 2014 **Oracle 1Z0-803**, *«OCAJP — Oracle Certified Associate Java SE 7 Programmer».*  
 2014 **Red Hat EX300**, *«RHCE — Red Hat Certified Engineer».*  
 2013 **Red Hat EX200**, *«RHCSA — Red Hat Certified System Administrator».*  
 2012 **IBM 000-730**, *«IBM Certified Database Associate — DB2 9 Fundamentals».*  
 2012 **IBM 000-302**, *«IBM Certified Academic Associate — DB2 9 Database and Application Fundamentals».*

## Professional Skills

Tools actively used in last year marked **bold**; actively used over a year ago presented with regular font; studied but not used actively marked *italic*.

OS	<b>Linux (RedHat-based), Windows, FreeBSD</b>
Languages	<b>Java, Groovy, JavaScript, SQL</b> , PHP, C, Delphi
DBMS	<b>Oracle</b> , MySQL, PostgreSQL, MongoDB, HyTech, DB2
VCS	<b>Git</b> , Subversion
Build	<b>Gradle</b> , Maven
CI	<b>Jenkins</b>
Project Management	<b>Jira</b> , Redmine, MediaWiki
Numerical Computing	Octave, Scilab
Markup	<b>LaTeX, HTML, CSS</b>

## Personal Skills

- Full cycle software development experience — business analysis, design, development, deploy and user training.
- Systematic approach for software design and development.
- Use free software to minimize total cost of development.
- Thoroughness with documents, records and acts.

- Business relations and negotiations with customers (including government).
- Preparation of reports, speeches and presentations to an audience, participation in conferences and seminars as a speaker.
- Excellent oral and written Russian language.
- Continuous professional development, lifelong learn.
- Organized, punctual, non-conflict nature.

## Trainings

- 2015-present «**Bioinformatics**», *University of California, San Diego*, [MOOC](#).
- 2014-present «**Data Science**», *Johns Hopkins University*, [MOOC](#).
- 2014-present «**Cybersecurity**», *University of Maryland*, [MOOC](#).
- 2015 «**Android applications development**», *E-Legion & Google*, [MOOC](#).
- 2015 «**Intellectual property management**», *NUST MISiS*, [MOOC](#).
- 2014 «**MongoDB for Java Developers**», *MongoDB University*, [MOOC](#).
- 2014 «**Web Application Architectures**», *University of New Mexico*, [MOOC](#).
- 2013 «**Functional Programming Principles in Scala**», *École Polytechnique Fédérale de Lausanne*, [MOOC](#).
- 2013 «**Discrete Optimization**», *University of Melbourne*, [MOOC](#).
- 2013 **RH254 «Red Hat System Administration III**», *Red Hat Certified Training Partner «Inventa»*.
- 2013 «**Hardware/Software Interface**», *University of Washington*, [MOOC](#).
- 2013 «**Pattern-Oriented Software Architectures for Concurrent and Networked Software**», *Vanderbilt University*, [MOOC](#).
- 2013 «**Linear and Discrete Optimization**», *École Polytechnique Fédérale de Lausanne*, [MOOC](#).
- 2013 **RH134 «Red Hat System Administration II**», *Red Hat Certified Training Partner «Inventa»*.
- 2013 **RH124 «Red Hat System Administration I**», *Red Hat Certified Training Partner «Inventa»*.
- 2013 «**Game Theory**», *Stanford University & University of British Columbia*, [MOOC](#).
- 2013 «**Algorithms: Design and Analysis, Part II**», *Stanford University*, [MOOC](#).
- 2012 «**Quantum Mechanics and Quantum Computation**», *University of California, Berkeley*, [MOOC](#).
- 2012 «**Machine Learning**», *Stanford University*, [MOOC](#).
- 2012 «**Automata**», *Stanford University*, [MOOC](#).
- 2012 «**Algorithms: Design and Analysis, Part I**», *Stanford University*, [MOOC](#).
- 2010 «**Open Information Systems Security**», *NRNU MEPhI*.

## Languages

- Russian Native speaker
- English Reading technical and mathematical papers and books — free, speaking and writing — Intermediate
